The APC has become a big family united by strong ties of friendship, supported and endorsed by all the pipe-smoking friends in Spain. Therefore, we are working hardly and with illusion in order to conceive an unforgettable and wonderful event

The choice of Seville as a destination for our next championship is a very thoughtful decision that ensures us a fascinating experience and a pleasant stay.

CATEDRAL DE SEVILLA

The cathedral of Seville and the general archive of the Indies.

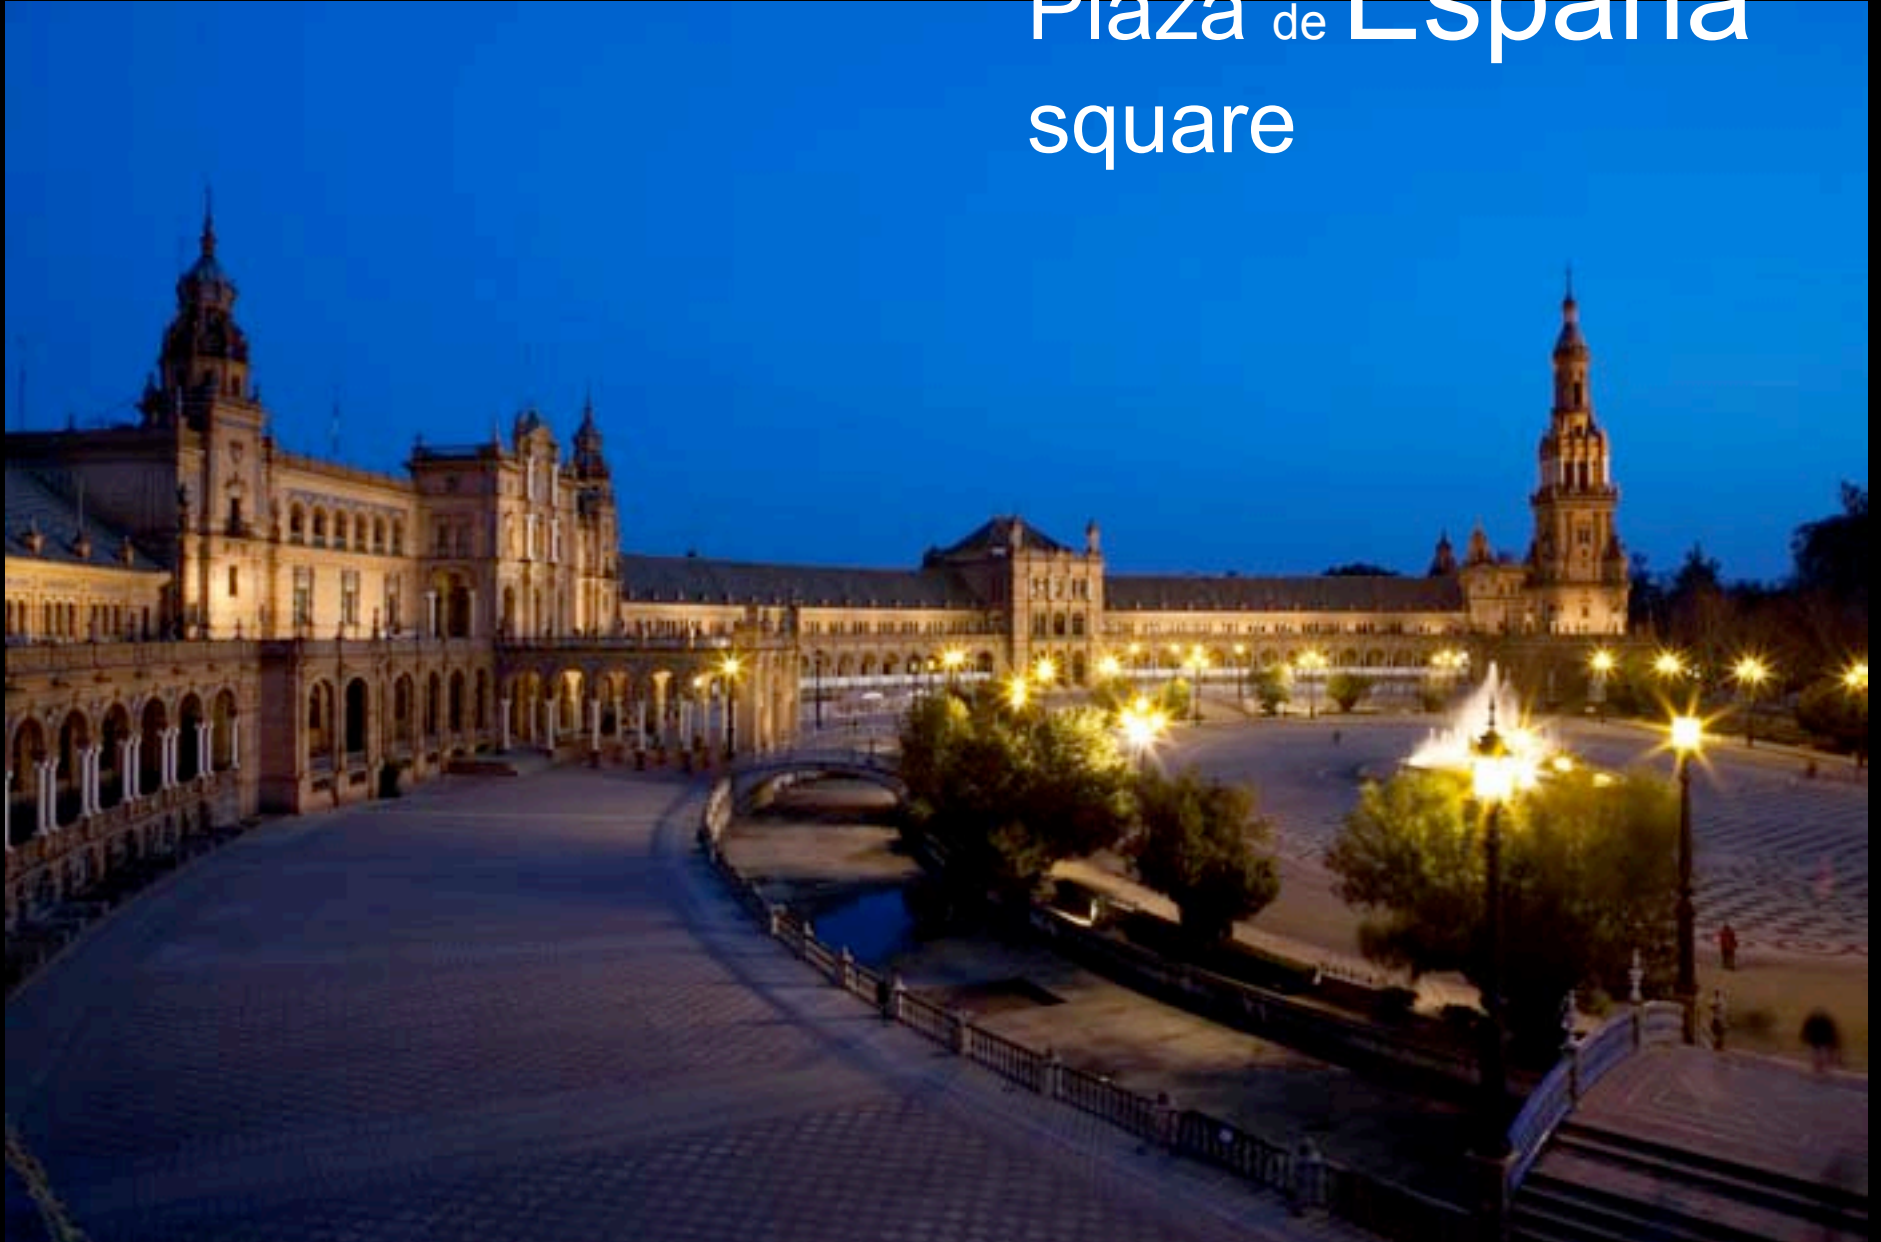

Royal Alcázar

The oldest royal palace of Europe still in use.

Plaza de España square

Santa Cruz quarter

This beautiful quarter offers one of the most charming backdrops in the city.
History. Magic. Beauty. Nice Tapas bars.

Gastronomy.

Holy week in Seville.

Art

Flamenco. April Fair

Seville is also unique
for its location, communications and
infrastructure.

TGV High speed train

Seville – Madrid.

2 hours y 18 minutes.

Seville – Barcelona.

5 hours y 25 minutes.

Seville – Málaga.

1 hour y 50 minutes.

En 2013, only 50 minutes.

New metro, tram in the city and nearby villages.

Tram of Seville

Metro of Seville

The " Casino de exposiciones de Sevilla " The venue

The venue.

The Casino is an emblematic building designed by architects Vicente Traver y Thomas with baroque style.

It was the pavilion that represented the city during the Ibero-American exhibition of 1929.

Pipe

The pipe is a Jacopo designed especially for the European championship by the master Giancarlo Guidi , the "Godfather " of Italian

Pipe makers.

It is a Per R1 Aspera with a silver ring , stylish , sleek and with a dark burgundy rustic finish , which will delight all the participants.

The organization of the championship will provide you a selection of hotels we have chosen for this great event. It offers a large variety of styles, prices, and locations in order to satisfy your personal taste, needs, and wishes.
